COURSE NAME <b>California 12-Hour Consumer Service Course</b>
BRIEF COURSE DESCRIPTION

This class will cover Real Estate Mathematics, Lending Laws, Listing Agreements, Sales Agreements, Leases, and The Foreclosure Process as it applies to real estate professionals in California. Real Estate Mathematics goes back to the basics by looking at math as a fundamental skill before discussing the often complicated calculations for real estate transactions. The course then reviews different real estate contracts such as listing agreements and sales agreements.
